

volleyballrecruits

VolleyballRecruits provides players with a suite of online tools that assist them in the recruiting process while maximizing their exposure to college coaches. VolleyballRecruits was built with help from the college coaching community and has 18,000+ members.

PLAYER PROFILE

Build your Volleyball Resume and provide coaches with all relevant academic and athletic information.

TRACK COLLEGE VIEWS

Track every college coach interaction — know who is viewing your profile, video, and transcript in real time.

SEARCH SCHOOLS

Use our Advanced Search Tool to narrow down your list of schools and research programs that are right for you.

UPLOAD VIDEO

Upload unlimited video to your player profile for coaches to evaluate you on their own time. VolleyballRecruits also offers video editing services.

MESSAGE COACHES

Message any college coach in the country using our Built-In Messaging System so they are immediately directed to your full profile.

CLUB COACH ASSISTANCE

Your club coach can identify schools for you, message colleges on your behalf, and direct programs to your player profile all on the VolleyballRecruits platform.
