2021 Team Liaison / Season Lodging Information

Welcome to the Team Indiana Family! We are excited about the upcoming season and in an effort to make things as easy as possible for each of you, lodging for travel tournaments has already been arranged. We are asking that each team have a team liaison to assist in communication for team lodging.

We've learned over the years that having each team arrange their own accommodations was time consuming and expensive. By setting up club wide accommodations we are able to get a better rate because of the volume of rooms we need, which allows our families to save money! This also helps with families that have multiple athletes, as on most weekends we will all stay at the same hotel. Another benefit in doing this is having the ability to get comp rooms for our coaches, which again passes savings to our families. Your team liaison will forward lodging information to you via email as they receive it from me. Please make sure you book as soon as possible to ensure availability.

While not all of our stays will be at a Marriott property many of them will so if you do not have a Marriott rewards account I would encourage you to register for this FREE rewards program to earn additional benefits at Marriott properties.

Team Liaisons,

Thank you in advance for offering to assist, we will have a Team Liaison conference call Sunday, November 17 at 8:30 pm. Call in details will be sent via email to all Team Liaison's on Friday prior to the call.
